

# Meet Comarch at Light Reading Network X Americas 2024

Irving, USA, 21 May 2024 - 23 May 2024

We are delighted to announce that **Comarch will be the Gold Sponsor of the highly anticipated Light Reading Network X Americas event, set to take place from May 21 to 23, 2024, at the prestigious Irving Convention Center at Las Colinas.** Join us for three days of networking, insights, and innovation in the heart of the telecommunications industry.

Light Reading Network X Americas is more than just a conference. It's a dynamic platform that brings together thought leaders, professionals, and visionaries from across the globe to discuss the latest trends, challenges, and opportunities shaping the future of telecommunications and networking. With engaging keynote sessions, interactive panel discussions, and hands-on workshops, this event promises to deliver invaluable knowledge and insights to all attendees.

As the Gold Sponsor, Comarch will be at the conference to showcase our comprehensive suite of solutions designed to drive digital transformation and revolutionize the telecommunications landscape. **Visit us at stand number 314** to explore our latest products, participate in demo sessions of our innovative technologies, and connect with our team of experts dedicated to empowering telecom operators and service providers to thrive in the present-day telecommunications market.

In addition to visiting our stand, take advantage of the opportunity to **attend the enlightening presentation by our speaker, Tomasz Staszek, Head of BSS Solutions at Comarch.** His lecture, *"Segmenting the Broadband Provider Market: From Consumer Broadband to Managed Business Connectivity,"* will be held on May 23 at 12:15 pm CDT, the second day of the conference.

For more information about the event and to secure your spot, please visit the event's [official website](#).

**For those interested in scheduling an appointment with our team during the event, please feel free to contact Adrianna Habdas at [adrianna.habdas@comarch.com](mailto:adrianna.habdas@comarch.com)**
